A \$5,000.00 Surety Bond payable to the City of Hickory Hills is required.

A \$5,000.00 Cash Bond is required. (Will be forfeited if all requirements are not met.)

_____ A bond is not required for the demolition of a detached garage.
Must comply with ordinance 09-21.

It is required that the demolition contractor notify the **Public Works Department at 708-598-7855** to schedule an appointment for the following inspection:

1. Arrangements must be made with the Public Works Department to remove water meter from building prior to demolition.
2. Water service must be excavated to the corporation fitting at main and turned off under the inspection of the Public Works Department. "B" box must be removed and returned to the City.
3. Sanitary sewer service must be excavated, capped and cemented as required under the inspection of the Public Works Department.
4. All of the above must be completed and approved by Public Works before demolition begins. Applicant or contractors must acquire necessary EPA permits and any other government agency permits that are required.
5. Job must be completed in 30 days.
6. Lot must be restored to a park-like condition immediately graded and seeded in accordance with Public Works approval.
